

Director, Ames Laboratory

Ames Laboratory (AL), a government owned, contractor operated research facility of the *U.S. Department of Energy*, operated by and situated on the campus of *Iowa State University*, is conducting a nationwide search for its Director. The Director Search Committee seeks an internationally recognized leader in the sciences/ engineering with the vision for the future, commitment to excellence in broad areas of research, proven administrative skills that span the academic and federal environments, and the interpersonal skills to work effectively with all AL constituencies. The Director Search Committee invites letters of nomination, applications (letter of interest, complete CV and references), or expressions of interest to be submitted to the search firm assisting Ames Laboratory. Confidential review of materials will begin immediately and continue until the appointment is made. It is preferred, however, that all nominations and applications be submitted prior to April 9, 2007. For a complete position description, refer to Current Opportunities on www.parkersearch.com.

Daniel F. Parker, Sr.

Laurie C. Wilder, Senior Vice President

Mike Vollmer, Senior Vice President
